17 December 2009

Year 9 Cineworld Visit

17 December 2009

Year 10 and 11 Examination Courses

Quite a number of children are now following a range of Examination courses which require them to complete assessments on particular days. It is absolutely essential that the children attend on these days as the assessments cannot be repeated. You will be advised of these dates in advance.

School Uniform

I am sure that when you have visited school recently you will have noticed all the children wearing their very smart new uniforms. The up-take is almost 100% which is excellent.

We are working with the suppliers to obtain samples of other items which may prove popular eg rain jackets.

More information to follow.

Main Gates

We have recently had some work completed on our main gates which now enables them to open and close automatically. On arrival at school advise the office via the intercom, and the gates will be opened.

The gates will close automatically after you have driven out of the entrance.

Children in Need Coffee Morning

Thank you all for your support with this event on 20 November 2009. The children had a lovely time and we managed to raise £300.00 for the charity.
