Acting Headteacher:
Mrs R Thompson

Date 19th November 2020

Dear Parents/Carers,

Due to the current Covid situation we are working to limit the amount of contact pupils have across bubbles and with teaching staff.

We also have an increasing number of staff who are required to self-isolate for two weeks. This is having a significant impact on the number of staff we have who are available to be in work and allow us to safely maintain all the classes in school.

We have therefore had to take the decision to put some planned class closures in place to maintain school to be open for as many pupils at one time.

This will affect most year groups in school. We will be sending out messages by dojo as well as sending letters home to affected pupils and placing the information on the website.

We have advised Home School Transport of these dates, so you do not need to contact them. Please ensure you cancel any dinner orders for these dates with Feeding Hungry Minds.

Please log into your child's purple mash and visit the class blog to find details of their work from home. Work will be added on a daily basis.

Class teachers and school staff are also available to message on Class Dojo. Staff may not answer dojo's immediately as they are still working in school and covering another staff absence.

Thank you for your continued support at this time.

Yours Sincerely,

Mrs Rebecca Thompson
Acting Headteacher
