

Highfield Post 16 Pathways

All students entering Post 16 will continue with Functional English, Maths, ICT and Digital Literacy. They will also have accredited core lessons on Self Advocacy, Self Assertiveness and Health and Fitness

The curriculum at KS5 is based on the principals of the Department of Education's, "Preparing for Adulthood" programme. The aim is to prepare the students for adult life and to ensure they have the confidence, independence, knowledge and skills to move onto further education, training or employment. At KS5 the curriculum builds on the skills the students have already acquired during KS4

The Suite of NOCN qualifications has been designed to address the needs of learners working at Entry Level and Level 1, and in particular those with learning difficulties and disabilities. The qualifications ensure that all learners are given the same opportunities access appropriate and relevant educations and improve life chances.
